- Required Text: Hill, J. W.; Kolb, D. K. *Chemistry for Changing Times*; 10th. ed.,
Prentice-Hall, New Jersey, 2004
- Assignments: Problems and questions at the end of each chapter will be
recommended; some of these you will be expected to hand in for
grading. You are to answer all the Practice Questions provided for
chapters 1 - 14 on the web and have them sent to your instructor as
described herein. Go to the website <http://chem.prenhall.com/hillkolb>
and go to the pull down tab in the upper left hand corner and select the
appropriate chapter then click on Practice Questions. After you have
answered the 12 questions, submit them for grading. If you want to try
again for a better score, do so, but make sure that you understand the
material. When your score is at least an 80, complete the Routing
Information and send the results as text to
niewahnerj@exchange.nku.edu. These must be submitted by the date
given by your instructor. Late entries will not receive any credit.
- Tests: There will be four tests and the final exam.
- | | | |
|------------|----------------|------------------------|
| Test 1. | Chapter 1,2,3 | Monday, September 15 |
| Test 2. | Chapters 4,5,6 | Wednesday, October 8 |
| Test 3. | Chapters 7,8 | Friday, October 24 |
| Test 4. | Chapters 9,10 | Friday, November 14 |
| Final Exam | Comprehensive | Wednesday, December 17 |
- Missed Tests: Students who miss a test must contact the instructor within 24 hours of
when the test was originally scheduled. A make-up test may be given
at the discretion of the instructor. Any make-up test allowed must be
taken within 6 calendar days of the original test date. Make-up tests
will be more challenging than the original tests. No student will be
allowed more than one make-up test.
- Mailserv: All students are required to signup with the MailServ for the course.
Students are responsible for all information that is distributed on the

MailServ. Information regarding assignments and tests is often distributed to the class by way of the MailServ. See attachment for directions to subscribe.

Grading: Assignments = 15% of overall score
 Tests = 60% of overall score
 Final Exam = 25% of overall score

Mailserv Information

Instructor: J. H.
Fall 2003

In order to better communicate with students enrolled in CHE 100-001, a Mailserv has been established for this section of General Chemistry. Students may submit questions and they will be answered as soon as possible. Usually questions submitted by 9:00 P.M. will be answered the same day. Information that the instructor wishes to pass on to the students outside of regular class time will also be done by way of the Mailserv. All students enrolled in CHE 100-001 are expected to subscribe to the Mailserv and check the messages regularly. Students are responsible for information sent by way of the Mailserv.
