

## Professional Development Opportunities for Teachers Fall 2009

<p>Thursday September 10 4:00 - 7:00 pm</p>	<p><b>Stock Market Game &amp; Take Stock in Kentucky (Grades 4-12)</b> Presented by the NKU Center for Economic Education Location: Gray Middle School 10400 U.S. 42. Union, KY 41091. (in Boone County)</p> <p>Learn about using these exciting investing simulations to enhance your math, reading/writing, social studies, business and technology classes. Participants will receive a PD certificate, light dinner, and can register for 3 free teams for the Fall semester program. Register at <a href="http://www.kcee.org/forms/workshops/">http://www.kcee.org/forms/workshops/</a></p>
<p>October Date to be posted soon 4:00 - 7:00 pm</p>	<p><b>Do Your Own Entrepreneurship Fair (Grades 3-8)</b> Presented by the NKU Center for Economic Education and Fifth Third Bank Entrepreneurship Institute Location: to be announced</p> <p>Teachers will meet with an entrepreneur to hear their story. After a light supper, teachers will learn how to design an entrepreneurship fair or a classroom business in their classroom.</p> <p>The program is free. All those attending will get free curriculum materials, a professional development certificate, a great story from a local entrepreneur, and a light supper.</p>
<p>October Date to be posted soon 4:00 - 7:00 pm</p>	<p><b>The Next Great Entrepreneur...might be your student! (Grades 9-12)</b> Presented by the NKU Center for Economic Education and Fifth Third Bank Entrepreneurship Institute Location: to be announced</p> <p>Help your students harness their entrepreneurial ability and follow their dreams. Teachers will meet with an entrepreneur to hear their story. After a light supper, teachers will learn how to enhance their students' entrepreneurial ability and guide them through the design of a business plan. Opportunities are available for anyone interested in participating in the High School Entrepreneurship Challenge scheduled in April on the campus of Northern Kentucky University.</p> <p>The program is free. All those attending will get a professional development certificate, a great story from a local entrepreneur, great teaching ideas, and a light supper.</p>
<p>November Date to be posted soon 4:00-7:00 pm</p>	<p><b>Seas, Trees and Economies: Teaching about the Environment (Grades 3-5)</b> Sponsored by: NKU Center for Economic Education Location: TBA</p> <p>Seas, Trees, and Economies is a set of lessons that help students in grades 3-6 understand the relationship between our natural environment and the economy and how jointly they provide us with goods and services. Culminating with a reading of <i>The Lorax</i> by Dr. Seuss, this curriculum is full of active learning and literature connections. Teachers will go home with a copy of the curriculum, receive 3 hours of professional development credit, and a light supper. Registration is FREE!</p> <p>The program will be presented by Carol Muzny and Katy Murray from Taylor Mill Elementary</p>
