### **Summer time at the HoHo!**

But living's not easy! Here are some of the HoHo Summertime Happenings!

- Later today, the Freshmen HITF group leaves for their study abroad trip to Ireland where they will experience first hand the Irish Educational system. Side trips will, of course, be a key part of their journey.
- In ten days the IBHF group will be heading to Mexico City to take classes at the YMCA University in Mexican business practices. They will make site visits to Mexican businesses and be immersed in the culture through their homestays.
- A group of artists are transforming the Honors Wood Trail. A web of honeysuckle vines arches over the creek at Pyramid Park.
- Dr. Zaniello is terrifying a new generation of brave students with his Hitchcock Film class.
- And soon the Honors Garden will be blooming with activity and produce...and deer!  
Oh My!

Happy May to all! Remember, next HoHoSeMo won't be out until June 15<sup>th</sup>. Whether you're traveling, studying, or working, do...
