

Ivy Evadne Salomon

November 15, 1920—October 16, 2017

Ivy Salomon was a giant spirit of a woman who carried herself with humility, love and grace. We will miss her sweet presence on campus. She was incomparable and a joy to have known. She leaves big, worn shoes to fill. We will do our best to make her proud. Her memory and her legacy will never be forgotten. Her home on campus will forever be "Ivy's House."

CFI hosted a memorial service for her on Saturday, December 2 in Richmond, KY. Many folks shared their fondest memories of her. She impacted the lives of countless Haitians and Americans with unconditional love. She spent her life on Jesus.

Please extend your condolences to last living sister, Grace.
