Note: For the purposes of labeling in this chart, the term "college" also refers to support program area "University Programs." Retention percentage calculations in bold refer to the number on the top row, "Freshmen Enrolled Fall 2004 in the College" except percentage of total "return in Fall 2005 of Students who were First Time Freshmen in Fall 2004 refers to count of First-time Freshmen in Fall 2004. Otherwise, Percentage calculations below a bold horizontal line refer to the total for the group that is above the horizontal line.

Students impacted by the dissolution of the College of Professional Studies in 2005 are tracked as if they were in the College of Professional Studies in Fall 2005.
