[My Advisors](#)  
Staying in touch with your advisor(s) is important. View your advisor contact information here.

[Holds](#)  
Holds block the registration and/or transcript request process. View hold details here so you can take the necessary steps to have your holds removed.

[Degree Audit](#)  
The Degree Audit is an advising tool that assists you and your advisor in reviewing how your academic work applies toward your degree. The audit is also helpful for academic planning and course selection. The Degree Audit reviews general education and general university requirements for all undergraduate students in Academic Catalog 2004 forward. **Note:** The Degree Audit does not yet review all active majors. Please consult your academic catalog or academic advisor for major requirements.

[Degree Audit Questions?](#) Submit your questions via the [myNKU Degree Audit Questions Form](#).

[Transfer Credit](#)  
View transfer credit details here. This application displays the status of transfer work submitted for review and any current transfer equivalency determinations. Use this feature to see how your transfer work equates to NKU coursework.
