Integrative Media is for the student whose work **combines** two or more media. To pass into this track, a student must show evidence of this approach during the Portfolio Review.

To apply, students must complete the following:

1. Register for Art 299.
2. Submit a letter to the professors/area coordinators in the disciplines to be integrated a minimum of 2 weeks before the Portfolio Review explaining the rationale for why the Integrative Media emphasis is the appropriate track for study.

If the student is accepted, an Integrative Media Track Committee will be created composed of two or three appropriate faculty members chosen by the student and the Portfolio Review Committee by the end of the semester of the student's Portfolio Review. This committee, in consultation with the student, will develop a course of study appropriate to the development of the student's work. This must be approved by the Visual Arts Program Head.

This two page checklist serves as the program certification for the given track. Please complete, meet with your advisor for verification and submit to the program head in the Visual Arts office FA 312. Students also need to apply for graduation on myNKU along with submitting this checklist before the published submission deadline for graduation (semester before graduation). This form will be scanned and submitted to the Office of the Registrar and the original copy will be kept in your student file.
