To better understand the reason for a deficiency or hold that has been placed on a student account, click

on the icon ( or ) for more information.

Where applicable, a clickable [Display Help](#) link can provide next steps and contact details.

NOTE: A deficiency or hold DOES NOT prevent a student from planning or placing courses in the registration cart.

However, certain types of holds CAN prevent a student from enrolling (booking/registering) in a course. To see a list of holds and the associated actions, visit the Office of the University Registrar website.

Registration Window

Upon choosing the (academic) term for registration, the registration window will appear. A term must be chosen before any registration browsing (Search), planning (adding courses to the Cart) or enrollment (Registering/Booked) actions can begin.

How to Search for Courses

Basic search

The screenshot shows a search interface with a 'Basic Search' tab selected. The search bar contains 'CMST101'.
