Semester entered NKU:	Catalog Year: 2020-21

Required Core Courses **Minor in Photography**

Please keep in mind that your Major and your Minor requirements must be from the same catalog year. The first catalog year for the Photography Minor is 2015-2016. If your catalog year is previous to Fall 2015, you can request to be assigned a later catalog. Speak with your major advisor first to ensure requirements have not changed for your major before switching catalog years.
