

# MEET PATRICK OSBORNE DIRECTOR AND ANIMATOR

**Patrick Osborne** is the creator and director of the Academy-Award winning short film **Feast** for **Disney**, and served as Animation Supervisor on Academy-Award winning short **Paperman** and **Big Hero 6**.

After **Disney**, Patrick created and directed the ground-breaking VR film **Pearl** for **Google Spotlight Stories**, which premiered at the 2016 Tribeca Film Festival. **Pearl** is the first VR film to be release on five different platforms, from mobile to high-end headset and has been called the Best VR Cinematic Experience by The Verge in 2016.

Patrick has recently completed directing the Billie Eilish Concert film for Disney Plus: **Happier than Ever, A Love Letter to Los Angeles**. As well as a highly anticipated episode for season three of **Netflix's Love Death and Robots**.

Patrick grew up in Cincinnati and went to Xavier High School.
