

## READING GRADES P-12 ENDORSEMENT (Certification Only (2948))

- 1) The **curriculum contract for the endorsement** only does not identify the admission requirements of 16 KAR 5:020 (GPA, 4Cs, Code of Ethics).

Added/corrected admission requirements on Reading certification only contract

The contract includes inaccurate references to the appropriate SPA Standards (should be ILA instead of IRA).

Corrected to read "International Literacy Association"

The Course Criteria section identifies 16 semester hours; however, the sum of the credit hours equals 15.

Corrected to read "Fifteen (15) semester hours"

- 2) The **curriculum contract for the MATL** does not include all the admission criteria: GPA incorrect and 4Cs not clearly identified.

The contract includes inaccurate references to the appropriate SPA Standards (should be ILA instead of IRA).

In the statement about the recommendation it identifies Gifted instead of Reading.
