CACREP Vital Statistics 2016-2017

Academic Year 2016 - 2017

Clinical Mental Health Counseling: For the academic year of 2016 - 2017, there were 12 graduates of NKU's Clinical Mental Health Counseling program. Our graduates consistently achieve high pass rates on licensing examinations. The pass rate for graduates taking the NCE examination in 2016 was 100%. Of the admitted students, 90% graduate from the program in the expected time period and 90% of those program graduates responding to surveys who are actively seeking jobs are employed.

School Counseling: For the academic year of 2016 - 2017, there were 8 graduates of NKU's School Counseling program. Our graduates consistently achieve high pass rates on licensing examinations. The pass rate for graduates (n = 1) taking the NCE examination in 2016 was 100%. Of the admitted students, 90% graduate from the program in the expected time period and 85% of those program graduates responding to surveys who are actively seeking jobs are employed.

Approximately 34 students are enrolled in School Counseling program and 48 in the Clinical Mental Health Counseling program. Of the total number enrolled, 82 students, 65 are female and 17 are male. Of those students, none are identified as meeting the qualifications for students with disabilities and three are outside the Caucasian demographic. More than 90% of accepted students graduate in the expected time period, three years for full-time students in school counseling and three and one-half years for clinical mental health counseling. Courses accommodate both part-time and full-time students. Our program serves populations from Indiana, Kentucky, and Ohio as well as several students from outside our tri-state region.
