I understand that a criminal conviction may prohibit me from eligibility for field placement and/or employment at some agencies and organizations AND/OR obtaining social work state licensure (regardless of state).

I understand it is my responsibility to make any needed inquiries in this regard directly with the state licensure board

I also understand that MSW field director consultation is available regarding field placements and it is my responsibility to inform the field director of any past criminal convictions prior to beginning any field placement.

Please note: your answers on pre-requisite courses, GPA, and submission of application and materials by deadlines will be checked when your application is reviewed. Please be truthful when answering these questions.

Extra: This area is for information you feel will be valuable to our faculty when evaluating your application. In addition to your letter of intent, essay, and resume is there volunteer experience, work experience, or academic explanation (such as illness, family emergency, life change, wrong major, etc.) you feel would be beneficial to explain?

Letter of Intent: How will the MSW apply to your career aspirations? What specific skills do you hope to gain in the MSW program? How do you intend to finish the program (given the other responsibilities and commitments in your life outside of school)? You may address the letter to NKU MSW Admission Committee but space is limited so you are encouraged to use a simple letter format.
