# STUDENT ORGANIZATIONS

## FIND OUT HOW TO GET INVOLVED!

## ACM @ NKU

**Alina Campan (campana1@nku.edu)**
ACM is the world's largest educational and scientific computing society advancing computing as a science and profession. Our goal is to foster a community of passionate students through hackathons, social events, and competitions such as ICPC.

## CENTER FOR APPLED INFORMATICS

**Tina Altenhofen (altenhof@nku.edu)**
The CAI provides students extensive access to professional development courses, recruiting events and internship/co-op experiences that enable applied learning in a real world environment. Our client opportunities include a variety of projects such as websites, mobile apps, data analytics or visualizations, promotional videos, IOT solutions or start-up prototypes.

## CYBER DEFENCE TEAM

**Yi Hu (huy1@nku.edu)**
The Cyber Defense Team is a group of students who are passionate about computer security. Students are able to enhance their learning experiences by joining the team, but also have opportunities to participate in a variety of computer security competitions.

## BUSINESS INFORMATICS GROUP

**Brandi Neal (nealb3@nku.edu)**
The purpose of BIG is to provide students an opportunity to: 1) engage with like-minded people concerning business and technology, 2) facilitate opportunities for you to network with professionals, and 3) provide a service to our community, so that they may be better prepared to carry out responsibilities as future leaders and professionals.

## COI AMBASSADORS

**Lisa Brun (brunl2@nku.edu)**
**Krista Rayford (rayfordk1@nku.edu)**
**Meghan Schmidt (schmidtm17@nku.edu)**
As a COI Ambassador, our students represent the COI, they build relationships with prospective and current COI students, with other NKU offices and departments, and with supporters of the COI.

## MINJAS

**Sunil Ketty (kettys1@nku.edu)**
**Alexis Pulos (pulosa1@nku.edu)**
MINjas is a group of Media Informatics students who come together to create a community within the major - planning events such as fun get-togethers, speakers, and fundraisers.

## NKU ESPORTS

Alexis Pulos
(pulosa1@nku.edu)

Our organization is focused on creating an offline environment in competitive gaming. Our goal is to help competitive gamers compete in university level events. By providing a network to facilitate team building and skill development, we hope to bring together gamers both familiar and new to the competitive scene.

## NORSE FILM SOCIETY

John Gibson
(gibsonj5@nku.edu)
Tracy Songer
(songert1@nku.edu)

The Norse Film Society is dedicated to producing high quality student films and allows students to share filmmaking resources and builds a network of student filmmakers of all skill levels at NKU.

## THE NORTHERNER

Michelle Day
(daymi@nku.edu)

The Northerner is an independent student-run media outlet innovatively providing relevant and credible content within the Northern Kentucky University community. While upholding the ethical standards of traditional journalism, we are constantly evolving into the digital age.

## NORSE CODE RADIO

Michelle Day
(daymi@nku.edu)

Norse Code Radio (NCR) is NKU's only student-run radio station. Streaming 24 hours a day!
THE place for good music, talk, live band performances, opinion, entertainment, and more!

## NORSE MEDIA

Sara Drabik
(drabiks1@nku.edu)

NorseMedia is the collective effort of students, faculty, and staff from NKU's Communication Department to create media for NKU's web presence and television station.

## PUBLIC RELATIONS STUDENT SOCIETY OF AMERICA

Greg De Blasio
(deblasiog1@nku.edu)

The declared purpose of PRSSA is to cultivate a favorable and mutually advantageous relationships between students and professional public relations practitioners.

## PROFESSIONAL BUSINESS LEADERS (PHI BETA LAMBDA)

### Carole Cangioni (cangionic1@nku.edu)

Our mission is to bring business and education together in a positive working relationship through innovative leadership and career development programs through professional guest speakers, service projects, and State and National Leadership Competitions. We strive to learn more about ourselves as students and professionals, and each other as a community!

## SOCIETY OF PROFESSIONAL JOURNALISTS

### Michelle Day (daymi@nku.edu)

This organization seeks to establish relationships among students with an interest in journalism and journalism professionals. We will seek to further develop skills related to journalism through workshops, speakers, field trips, and other activities.

## STEM AMBASSADORS

### Madhura Kulkarni (kulkarnim2@nku.edu)

The STEM Ambassadors are a group of student leaders in the STEM departments who work to build community among STEM students and contribute to their academic success. They host STEM Peer Learning sessions, Pizza Suppers, and social activities.

## WOMEN IN INFORMATICS (WII)

### Maureen Doyle (doylem3@nku.edu)

Our main goal is to promote growth, support, and opportunity for the women in the College of Informatics.
