Minor in Popular Culture Studies

The minor in Popular Culture Studies offers students an opportunity to explore their cultural environment by examining aspects of cultural artifacts and events and relating them to their specific interests. The program consists of 21 credit hours, including specific popular culture courses and courses taken from the various departments of the university. In consultation with the program director, students will identify a particular topic of concentration or theme and then select courses from a variety of course offerings.

-- To satisfy the requirements for a minor in Popular Culture Studies, students must earn at least a C in required courses.

Due to the unusual nature of the program, the student-advisor relationship is very important. Only through careful consultation can an individual program be worked out which will satisfy the needs of the student and at the same time meet the requirements of the program. Students interested in the minor must meet the program director (Dr. Yasue Kuwahara 572-5291/kuwahara@NKU.EDU) prior to declaring the minor in order to discuss their interest and establish their individual programs and rationale for course selection.
