Testing Instructions for MAT 109 Students

1. Go to the website [http://www.mathclass.org](http://www.mathclass.org) and click on Go to KEMTP.

2. Click on Take a KEMTP Test.

3. Fill out the testing form as follows:
   - Pull down the –Select your school-- menu to select your school.
   - Pull down the –Select Teacher-- menu to select your teacher.
   - Enter your first and last name.
   - Leave the student ID or Social Security Number box blank. It is optional.
   - Enter the following Examination Code: post109.

4. Click on Retrieve the Advanced Exam.

5. Take the test. Click on the number (at the top of the page) of the question you want to answer. Answer the question by clicking on one of the five possible choices. When you have completed the exam, click on Go to Submit Button Page.

6. Click on Submit and Record Results.

7. Read the evaluation of your test results. If you have time, you can examine each problem (click on, or pass the mouse over, the problem number at the top of the page) to see where mistakes were made. (The evaluation of your test results and the test you took are in your teacher’s online roll book.) Exit completely from your browser when you have finished.
